Quilters:

I am hoping to find a nice cool place this summer. August 25 is our next meeting, with the Rose Of Sharon giving a program. New things are happening: charity quilt group will be meeting August 18. Also a new quilt retreat is forming for the fall.

Sadly, JJ Rhinehart would like to step down from the newsletter due to her jobs and family. I am hoping someone from the guild will take over. Please think about it. JJ will help with transition.

Hope to see you August 25th.

Happy Quilting,
- Nancy Jarrett, SVQG president

July Recap

Installation of Officers

At the July meeting we installed the 2016-17 officers and committee members. Congratulations to all the executive officers who have been reelected for another year. Also, thanks to those who have agreed to participate in the committees.

Officers Cindy Campbell and Chris Atkins did a brief show and tell of quilt items that they owned/made. Other officers will be participating in a monthly show and tell throughout the year.

The President has named a new committee starting this year for Charity Quilts. The committee chairs are Barbara Shamburg and Teri Snyder. They will be deciding on the various organizations that need donated quilt items and then having workshops and making kits so that we can all help fulfill some of these needs.

Twelve members attended the **60 Degree Ruler Table Topper Workshop** given by Florence Ireland. We had such a wonderful time, not only learning how to make the table runners and table toppers but also getting to know this great group of ladies. We all decided that the hardest part of this workshop was deciding which part of our border material we wanted to use for the runners.

Thanks to Florence for a very enjoyable workshop.

Check out the guild's Facebook page for more photos.

Upcoming Guild Events

August 18, 2016

This Thursday, August 18th from 9:00 to 3:00 at the Church in Pennsdale, there is a workshop for the Charity Quilts committee. Bring your donated fabric. If you don't want to sew, we need ironers and cutters. Bring lunch or plan to order from the Country Store across the street. We need a few cutting mats, rotary cutters and rulers. Come join the Guild members and have a great day of sewing.
