Appliqué

NOTE: With the exception of the heap o' gold, the appliqué design is symmetrical, so there is no need for a reverse diagram when tracing shapes for fusible appliqué. *(Reversed heap o' gold shape is provided for tracing.)*

Gently peel fusible paper from the back of each shape. Refer to Assembly Diagram to arrange shapes on background fabric.

Appliqué in place using the method and stitch of your choice.

Assemble Table Runner

Arrange blocks as shown. Sew **sashing** strip between two blocks; press toward sashing. Sew sashing strips to each side of **cornerstone**; press toward sashing. Sew pieced blocks and sashing unit together; press toward sashing unit. Sew one appliqué unit to each end as shown; press toward pieced blocks.
Finish Table Runner

Layer top, batting, and backing. Quilt as desired.

Piece **binding** into one long strip. Fold in half lengthwise, wrong sides together, and press. Line up raw edges of the binding with the raw edge of the table runner. Sew binding to the front side of the table runner, starting at any side. Turn the binding over and hand stitch to the back of the table runner.
