Half Square Triangles

STEP 1: On the back of (1) 3" × 3" A square, draw a line diagonally from corner to corner.

STEP 2: Layer this square and (1) B square, right sides together, making sure to line up the edges.
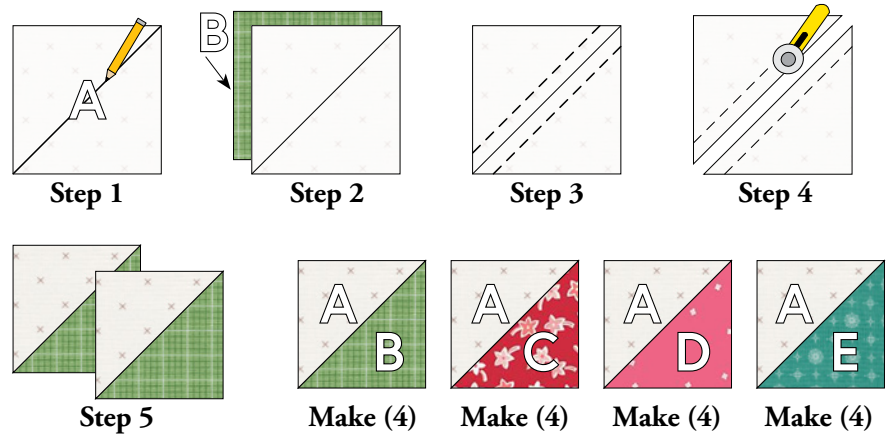

STEP 3: Sew ¼" on both sides of the drawn line.

STEP 4: Cut on the drawn line. Press away from A.

STEP 5: You will now have two A/B units.

Repeat Steps 1-5 to make a total of (4) A/B HST, (4) A/C HST, (4) A/D HST, and (4) A/E HST.

IMPORTANT: Trim each HST to 2½" × 2½".

Appliqué

NOTE: Appliqué design is symmetrical, so there is no need for a reverse diagram when tracing shapes for fusible appliqué.

Gently peel fusible paper from the back of each shape. Refer to Assembly Diagram to arrange shapes on **background** fabric.

Appliqué in place using the method and stitch of your choice.

Embroidery

Using the Assembly Diagram as a guide, draw embroidery lines with a temporary marking pen (such as a FriXion pen). With three strands of black embroidery floss, use a running stitch to create the bees' flight path. Use a back stitch to create bees' antennae, and add a French knot to the end of each antenna.

Assemble Table Runner

Arrange blocks as shown. Sew **sashing** strip between two blocks; press toward sashing. Sew sashing strips to each side of **cornerstone**; press toward sashing. Sew pieced blocks and sashing unit together; press toward sashing unit. Sew one appliqué unit to each end as shown; press toward pieced blocks.
Finish Table Runner

Layer top, batting, and backing. Quilt as desired.

Piece **binding** into one long strip. Fold in half lengthwise, wrong sides together, and press. Line up raw edges of the binding with the raw edge of the table runner. Sew binding to the front side of the table runner, starting at any side. Turn the binding over and hand stitch to the back of the table runner.
