## **FLANGE BINDING/SUSIE'S MAGIC BINDING**

Trim quilt

Measure circumference and write the number down

TO MAKE BINDING:

-Cut the flange color 1  $\frac{3}{4}$ " x length of circumference

-Cut the main binding color 1  $\frac{1}{2}$ " x length of circumference

Sew the 2 strips together, right sides together

Press towards the MAIN fabric

Press wrong sides together and flange appears

Stitch to back side of quilt, flange side up using  $\frac{1}{4}$ " seam allowance

Miter corners as usual

Join ends as usual

Press binding away from backside

Turn binding to front side

Secure binding with Wonder Clips around entire quilt

Stitch binding on front side in the ditch with monofilament thread between flange and binding

Match bobbin thread to main binding color
